

How the past affects the present

We are all a consequence of those people and events that have gone before. For example, your physical traits, personality, passions, hobbies, likes & dislikes are all a result of those who have gone before. You live in the United States because someone, at sometime in the past left their native country and came to the United States. In preparation for you homework assignment, complete the following chart:

<u>Column 1</u> Three physical traits from Parents Or Grandparents	<u>Column 2</u> Five personality traits/ passions/ hobbies/ likes & dislikes from parents or grandparents	Explain/ Affect on you (either from column one or column 2)	<u>Column 3</u> Events/ or choices from Grandparent's lives	Explain the affect of your grandparent's choices or events on you (from column 3)	<u>Column 4</u> 2 Events/ or choices in parent's lives	Explain the affect of your parent's choices and/ or events in their lives on you (from column 4)
